## Build reports and monitor your data from anywhere

Whether you are on the go or need to create rich, interactive reports, Power BI offers you the tools you need. Stay connected to your data from anywhere, anytime with our suite of apps.

Get a 360° view of your business data on the go - at the touch of your fingers and quickly connect, shape, visualize, and share data insights through Power BI.

### Microsoft Power BI Desktop

With the Power BI Desktop you can visually explore your data through a free-form drag-and-drop canvas, a broad range of modern data visualizations, and an easy-to-use report authoring experience.

### Microsoft Power BI Mobile

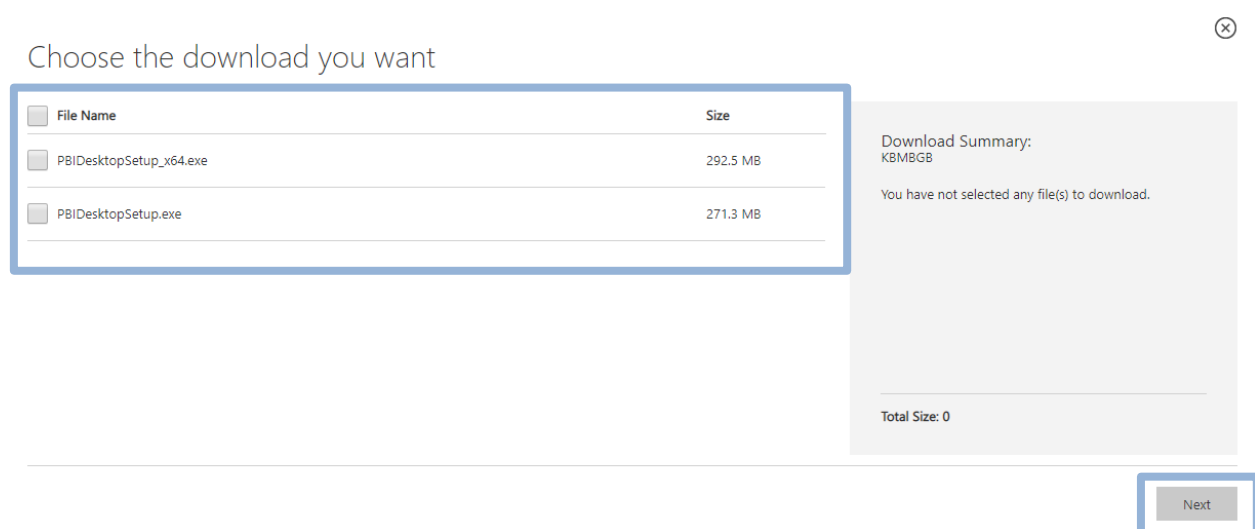

Access your data anywhere, anytime. These native apps provide live, interactive, mobile access to your important business information.

[Download from Windows store](#) [Download from App store](#) [Download from Google Play](#)

This should direct you to the page below where you can select your language and click download.

Next select one of the two download options below. The first selection is for a 32-bit system and the second is for a 64-bit system. Select the correct option and click next. (Your system can be checked on your computer in the Control Panel – System Information – System Type.)

Please verify that Power BI Desktop has installed and loads up on your computer.
